Quality conquers the world, Service achieves the future

Customize Size Low Iron Solar Tempered Photovoltaic Glass 6-12mm Dustproof

Our Product Introduction

for more products please visit us on rise-glass.com

Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

Product Specification

- Transport Package: Wooden Case
- Color: Clear
- Material: Glass
- Product Name: Solar Photovoltaic Glass
- Surface Hardness: 7H
- UV Resistance: 99.9%
- Highlight: tempered glass solar panels 6mm,
tempered glass solar panels 12mm,
dustproof pv glass panels

Product Description

Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass

Product Description

| | |
|-----------|------------------------------|
| Color | clear |
| Usage | solar photovoltaic |
| thickness | 2mm |
| size | 2378mm*1298mm, 2273mm*1128mm |
| HS Code | 7005100000 |
| Brand | Rise |

Solar Glass Description

Photovoltaic glass, a revolutionary product, incorporates photovoltaic cells into glass panels, harnessing solar energy to generate electricity. It seamlessly integrates into building facades and windows, providing a sustainable and aesthetically pleasing solution for renewable energy production. This innovative technology contributes to a greener future by reducing reliance on fossil fuels and promoting clean energy generation.
