

## Toughened Solar Photovoltaic Glass Panel Low Iron Anti Oxidation

Our Product Introduction

### Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

### Product Specification

- Usage: Solar Photovoltaic
- Certificate: CE, ISO, SGS
- Light Absorption: 4%
- Light Transmission:  $\geq 90\%$
- Material: Glass
- Product Name: Solar Photovoltaic Glass
- Highlight: **toughened Solar Photovoltaic Glass, Solar Photovoltaic Glass toughened, 2mm glass solar panels**

Product Description

Top Quality Factory Price Customized Solar Photovoltaic Glass

Product Description

Color	clear
Usage	solar photovoltaic
thickness	2mm
size	2378mm*1298mm, 2273mm*1128mm
HS Code	7005100000
Brand	Rise

Solar Glass Description

Photovoltaic glass, a cutting-edge solution, integrates solar cells within glass panels to generate electricity from sunlight. It is extensively used in architectural applications, such as building facades and windows, offering a dual-purpose of energy generation and transparency. This eco-friendly technology promotes sustainable energy production and reduces carbon footprint.

Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass

#### Packaging & Shipping

Laminated Tempered Glass 6.38/10.38/16/12 /13.52 mm Low Iron Polished Edge Tempered Laminated Glass

#### After Sales Service

1. Provide you with timely, professional, and efficient services in accordance with standardized service processes;
2. 7 \* 24-hour hotline telephone online service;
3. Quality issues that belong to the production process will be unconditionally resolved;

#### FAQ

**Q: What is the MOQ?**A: Generally, there is no MOQ for processed glass, but if you want to receive the best price, the bigger quantity, the better price.

**Q: Can I have a small sample to verify the quality?**A: Sure, we welcome samples to be tested and checked for quality.

**Q: Can I visit your factory?**A: Yes, we welcome all of the customers to visit our factory when you have real requirements, we will take you to each of our production lines, and discuss orders in our office.

**Q: Do you offer a guarantee for the products?**A: Yes, generally, we offer 5 years warranty for processing glass based on your normal uses, we advise you use it in the right way can keep your product's service life a long time (more than 5 years).

**Q: How do you control the quality of your products?**A: We have standard management in the factory based on the ISO system, and train our staff regularly, our production department will choose high-quality materials for glass strictly, for finished excellent products. And we have QC for each process, once find any problem, we will replace the glass, to make sure every piece of glass go to the customer's warehouse is in good condition.
