

Tempered Solar Photovoltaic Glass Low Iron For Curtain Wall & Building Windows

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

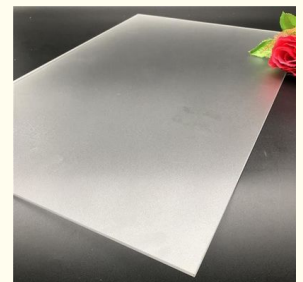

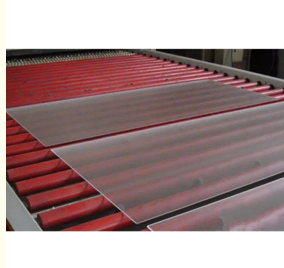

Product Specification

- Usage: Solar Photovoltaic
- Anti-Glare Coating: Yes
- Anti-Reflection Coating: Yes
- Light Transmission: $\geq 90\%$
- Material: Glass
- Product Name: Solar Photovoltaic Glass
- Highlight: **tempered Solar Photovoltaic Glass, Solar Photovoltaic Glass tempered, 2mm glass glass solar panels**

Product Description

Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass

Product Description

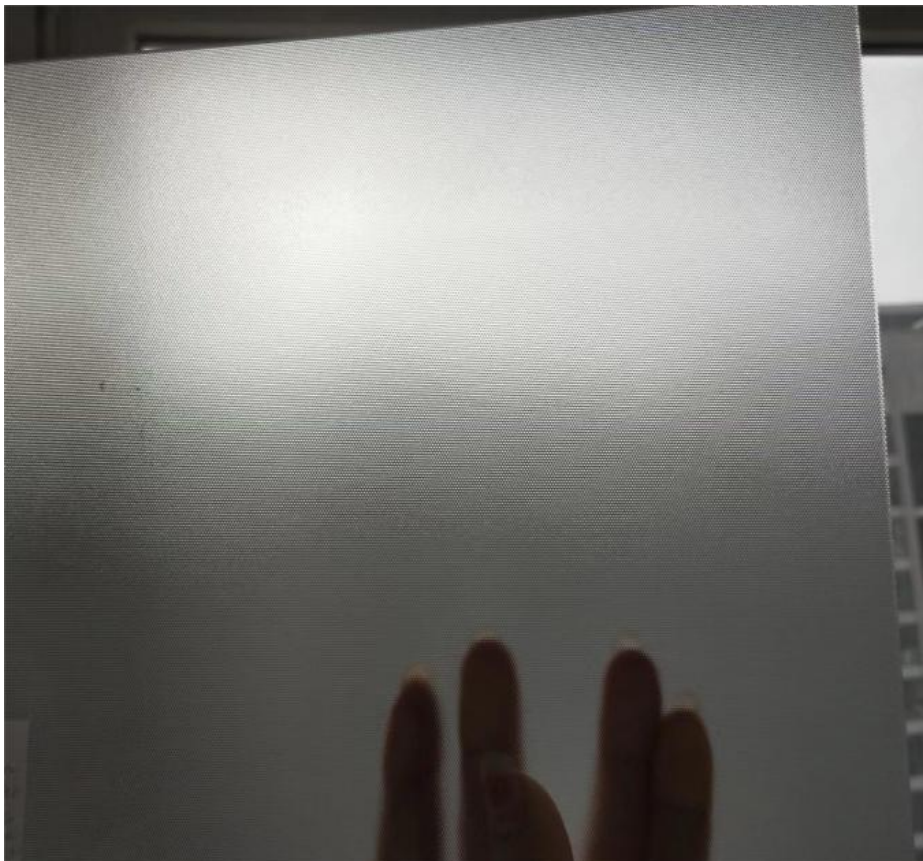

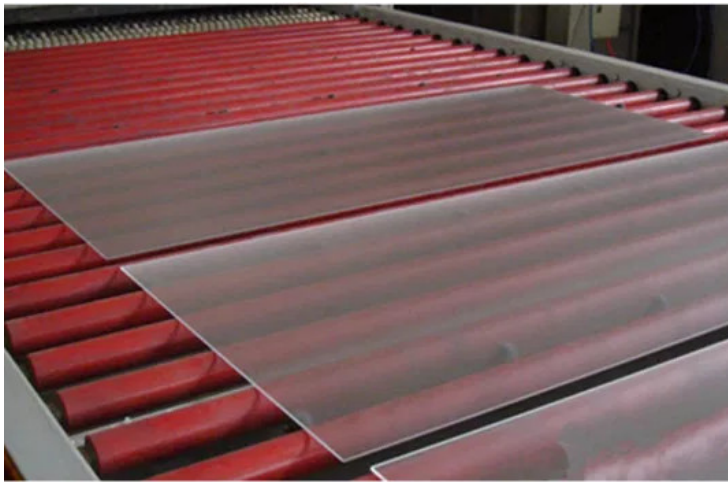

Color	clear
Usage	solar photovoltaic
thickness	2mm
size	2378mm*1298mm, 2273mm*1128mm
HS Code	7005100000
Brand	Rise

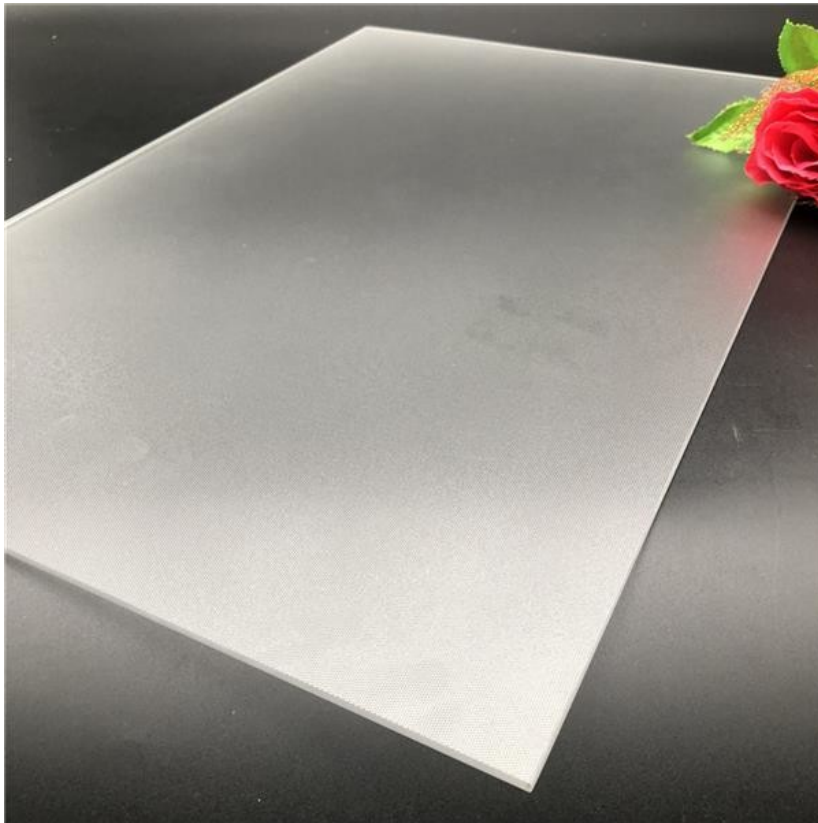

Solar Glass Description

Photovoltaic glass, also known as solar glass, incorporates solar cells to convert sunlight into electricity. It is used in building facades and windows, enabling the generation of renewable energy while maintaining transparency. It is a sustainable solution for integrating solar power into architectural designs.

product superiority

- Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass
- Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass
- Factory Customize Size Low Iron Tempered Solar Photovoltaic Glass

Packaging & Shipping

Laminated Tempered Glass 6.38/10.38/16/12 /13.52 mm Low Iron Polished Edge Tempered Laminated Glass

After Sales Service

1. Provide you with timely, professional, and efficient services in accordance with standardized service processes;
2. 7 * 24-hour hotline telephone online service;
3. Quality issues that belong to the production process will be unconditionally resolved;

FAQ

Q: What is the MOQ?A: Generally, there is no MOQ for processed glass, but if you want to receive the best price, the bigger quantity, the better price.

Q: Can I have a small sample to verify the quality?A: Sure, we welcome samples to be tested and checked for quality.

Q: Can I visit your factory?A: Yes, we welcome all of the customers to visit our factory when you have real requirements, we

will take you to each of our production lines, and discuss orders in our office.
