

6.38mm-32.28mm Heat Strengthened Laminated Glass High Transparency Safety Glass

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE,ISO, SGS
- Model Number: Deep processed glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

Product Specification

- Shape: Flat
- Edge Work: Flat Edge, Round Edge, Beveled Edge, Polished Edge, Etc.
- Sound Insulation: High
- Heat Resistance: High
- Transparency: High
- Safety: High
- Size: Max Size: 3300mm*13000mm
- Impact Resistance: High
- Thickness: 6.38mm-32.28mm
- Highlight: **6.38mm heat strengthened laminated glass, 32.28mm heat strengthened laminated glass, transparent 6.38 mm safety glass**

Product Description:

Clear Tempered Laminated Glass is a kind of safety tempered glass which is made of two or more pieces of clear tempered glass and an interlayer of PVB. It has excellent sound insulation and high hardness, and its thickness can be 3mm-19mm. The edge work of this product can be Flat Edge, Round Edge, Beveled Edge, Polished Edge, etc. It is a safe and reliable product for your building or decoration. Clear Tempered Laminated Glass is perfect for using in many applications, such as doors, windows, railings, balconies, screens, etc. It helps to ensure the protection of your family and property.

Features:

Clear Tempered Laminated Glass: Safety Tempered Glass with High Impact Resistance and Hardness, and High Transparency.

Thickness: 3mm-19mm.

Color: Clear.

Impact Resistance: High.

Hardness: High.

Transparency: High.

Technical Parameters:

Property	Value
Product Name	Clear Tempered Laminated Glass
Thickness	3mm-19mm
Surface	Smooth, Rough
Fire Resistance	High
Heat Resistance	High
Shape	Flat
Color	Clear
Sound Insulation	High
Edge Work	Flat Edge, Round Edge, Beveled Edge, Polished Edge, Etc.
UV Protection	High
Key Words	Clear Tempered Glass, Laminated Safety Glass, Laminated Clear Glass

Applications:

RISE Deep processed Clear Tempered Laminated Glass is an excellent safety glass that is extremely hard and durable. With its high sound insulation and superior hardness, this glass is ideal for a range of applications. It is available in a variety of shapes, such as flat, round, beveled and polished edges. It is CE, ISO and SGS certified, and the minimum order quantity is 1 container. The price is USD1-99/ and it is supplied in wooden case packages. Delivery time is 7 days and payment terms are T/T, L/C, D/A, D/P, Western Union, MoneyGram. It has a maximum supply of 500 tons per day, and the thickness ranges from 3mm-19mm.

Clear Tempered Laminated Glass has many advantages that make it a great choice for safety, security and decorative applications. It is made up of two or more layers of glass bonded together with a special interlayer, which makes it more resistant to impact and breakage than traditional glass. It also provides excellent sound insulation and thermal insulation, making it a great choice for soundproofing and energy efficiency. Furthermore, it is highly durable and will not discolor over time. It is also available in various colors and tints, giving you the flexibility to choose the perfect look for your project.

RISE Deep processed Clear Tempered Laminated Glass is an excellent choice for a range of applications, from safety and security to decorative and energy-efficiency. Its high sound insulation and superior hardness make it an ideal choice for any project. With its exceptional durability and wide range of options, you can find the perfect glass for your needs.
