Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE,ISO, SGS
- Model Number: Deep processed glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

Product Specification

- Shape: Flat
- Product Name: Clear Tempered Laminated Glass
- Sound Insulation: High
- Color: Clear
- Hardness: High
- UV Protection: High
- Safety: High
- Transparency: High
- Highlight: 6.38mm flat laminated glass,
High Hardness 6.38 clear laminated glass,
flat 6.38 clear laminated glass

Product Description

Product Description:

Clear Tempered Laminated Glass is a type of safety glass specially designed to provide superior strength and safety. It is composed of two or more pieces of glass bonded together with a flexible interlayer. The interlayer provides superior impact and fire resistance. It also has a high heat resistance and is available in a variety of thicknesses ranging from 3mm to 19mm. The surface of the glass is smooth and rough. The laminated tempered glass is designed to provide superior safety and strength for a variety of applications. The Clear Tempered Laminated Glass is the ideal choice for any application where safety and strength are paramount.

Features:

Product Name: Clear Tempered Laminated Glass

Safety: High

Fire Resistance: High

Thickness: 3mm-19mm

Hardness: High

Keywords: Laminated Safety Glass, Safety Tempered Glass, Laminated Tempered Glass

Technical Parameters:

Property	Value
Hardness	High
Safety	High
Edge Work	Flat Edge, Round Edge, Beveled Edge, Polished Edge, Etc.
Thickness	3mm-19mm
Shape	Flat
Heat Resistance	High
Surface	Smooth, Rough
UV Protection	High
Color	Clear
Size	Max Size: 3300mm*13000mm
Keywords	Safety Laminated Glass, Laminated Safety Glass, Clear Laminated Glass

Applications:

Clear Tempered Laminated Glass

RISE Clear Tempered Laminated Glass is heat resistant, UV protected and highly safety which is made of two or more layers of deep processed glass by special interlayer. It is CE certificated, ISO certificated and SGS certificated. The minimum order quantity is 1 container and the price is USD1-99/.Package is wooden case and delivery time is 7 days. Payment terms are T/T, L/C, D/A, D/P, Western Union, MoneyGram. We can supply 500 Tons Per Day. The surface is smooth and rough. The max size is 3300mm*13000mm. This Clear Tempered Laminated Glass can be widely used in architecture, furniture and other fields. It is ideal for tempering and laminating process which provides safety and a clear view. It is perfect for windows, partitions, doors and many other applications. The tempered safety glass is able to protect people from harm when broken because it will break into tiny pieces, not sharp pieces. It can provide high heat resistance and UV protection which is suitable for the harsh environment.

We also provide installation services and can come to your location and install your Clear Tempered Laminated Glass. We also offer repair services if your product is damaged or needs repair.

We are committed to providing the best customer service and technical support for all our products. If you have any questions or need any assistance, please do not hesitate to contact us.

Packing and Shipping:

Packaging and Shipping

Clear tempered laminated glass is shipped in custom-made wooden crates, which are designed to protect the glass from any damage during the shipping process. The crates also have additional foam padding and plastic wrapping for extra protection. The crates are then placed on wooden pallets and strapped securely to prevent movement during transport. The pallets are then loaded onto a truck or container and shipped to the destination.
