Usage	Furniture, Door, Building, Window		
thickness	2mm,4mm,5mm,6mm,8mm,10mm,12mm,15mm,19mm		
size	upon to request		
HS Code	7005290090		
Brand	Rise		

Float glass: a widely used glass product manufactured through the float glass process. It is produced by pouring molten glass onto a bath of molten tin, resulting in a smooth, flat surface with uniform thickness. Float glass is versatile, offering excellent clarity, optical quality, and suitability for various applications, including windows, mirrors, and architectural projects.
