Quality conquers the world, Service achieves the future

## Customized Size/Clear/Solar/Float Photovoltaic Glass for Curtain Wall & Building Windows

Our Product Introduction

for more products please visit us on [rise-glass.com](http://rise-glass.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

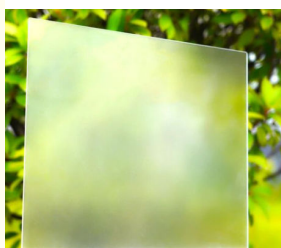

### Product Specification

- Light Transmittance: 91%
- Material: Glass
- Reflection Rate: 9%
- Solar Energy Transmittance: 91%
- UV Transmittance: 99%
- Highlight: Clear Solar Photovoltaic Glass,  
Building Windows Solar Photovoltaic Glass,  
Customized Size Solar Photovoltaic Glass

|-----------|------------------------------|
| Color     | clear                        |
| Usage     | solar photovoltaic           |
| thickness | 2mm                          |
| size      | 2378mm*1298mm, 2273mm*1128mm |
| HS Code   | 7005100000                   |
| Brand     | Rise                         |

### Solar Glass Description

Photovoltaic (PV) products: solar panels that harness the energy from sunlight and convert it into electricity. They are a key component of renewable energy systems, providing clean and sustainable power. PV technology is widely adopted in residential, commercial, and utility-scale applications, contributing to a greener and more sustainable energy landscape.
