Toughened Customized Clear Solar Photovoltaic Panel Glass Low Iron Coated/Anti-Oxidation Glass on Sale

Our Product Introduction

for more products please visit us on rise-glass.com

Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

Product Specification

- Light Transmittance: 91.5%
- Power Generation: 150W/
- Reflectance: 8.5%
- Transmittance: 91.5%
- UV Transmittance: 99%
- Weight: 6.5kg/
- Highlight: Customized Clear Solar Photovoltaic Glass

Product Description

Product Description

Color	clear
Usage	solar photovoltaic
thickness	2mm
size	2378mm*1298mm, 2273mm*1128mm
HS Code	7005100000
Brand	Rise

Solar Glass Description

Photovoltaic glass: a cutting-edge glass technology that incorporates photovoltaic cells, allowing the conversion of sunlight into electricity. With its dual functionality of transparency and energy generation, it is widely used in solar panels to harness renewable energy and promote sustainable power production.

product superiority

Packaging & Shipping

Laminated Tempered Glass 6.38/10.38/16/12/13.52 mm Low Iron Polished Edge Tempered Laminated Glass

After Sales Service

1. Provide you with timely, professional, and efficient services in accordance with standardized service processes;
2. 7 * 24-hour hotline telephone online service;
3. Quality issues that belong to the production process will be unconditionally resolved;

FAQ

Q: What is the MOQ?A: Generally, there is no MOQ for processed glass, but if you want to receive the best price, the bigger quantity, the better price.

Q: Can I have a small sample to verify the quality?A: Sure, we welcome samples to be tested and checked for quality.

Q: Can I visit your factory?A: Yes, we welcome all of the customers to visit our factory when you have real requirements, we will take you to each of our production lines, and discuss orders in our office.

Q: Do you offer a guarantee for the products?A: Yes, generally, we offer 5 years warranty for processing glass based on your normal uses, we advise you use it in the right way can keep your product's service life a long time (more than 5 years).

Q: How do you control the quality of your products?A: We have standard management in the factory based on the ISO system, and train our staff regularly, our production department will choose high-quality materials for glass strictly, for finished excellent products. And we have QC for each process, once find any problem, we will replace the glass, to make sure every piece of glass go to the customer's warehouse is in good condition.
