Quality conquers the world, Service achieves the future

## China Manufacturer Customize Size Low Iron Tempered Solar Photovoltaic Glass

Our Product Introduction

### Basic Information

- Place of Origin: CHINA
- Brand Name: RISE
- Certification: CE, ISO, SGS
- Model Number: Solar Glass
- Minimum Order Quantity: 1 container
- Price: USD1-99/
- Packaging Details: wooden case
- Delivery Time: 7 days
- Payment Terms: T/T, L/C, D/A, D/P, Western Union, MoneyGram
- Supply Ability: 500 Tons Per Day

### Product Specification

- Coefficient Of Thermal Expansion:  $3.3 \times 10^{-6}/K$
- Durability: >25 Years
- Haze: <1%
- Thickness: 3.2mm-19mm
- Transmittance: >90%
- UV Transmittance: <1%
- Highlight: China Manufacturer Solar Photovoltaic Glass, Customize Size Solar Photovoltaic Glass

## Product Description

### Product Description

Color	clear
Usage	solar photovoltaic
thickness	2mm
size	2378mm*1298mm, 2273mm*1128mm
HS Code	7005100000
Brand	Rise

### Solar Glass Description

Photovoltaic Glass: a cutting-edge glass solution equipped with integrated solar cells, enabling the direct conversion of sunlight into electrical energy. Widely used in building-integrated photovoltaics (BIPV) and solar panels, promoting sustainable energy production and environmentally friendly construction practices.

### product superiority

#### Packaging & Shipping

Laminated Tempered Glass 6.38/10.38/16/12/13.52 mm Low Iron Polished Edge Tempered Laminated Glass

#### After Sales Service

1. Provide you with timely, professional, and efficient services in accordance with standardized service processes;
2. 7 \* 24-hour hotline telephone online service;
3. Quality issues that belong to the production process will be unconditionally resolved;

#### FAQ

**Q: What is the MOQ?**A: Generally, there is no MOQ for processed glass, but if you want to receive the best price, the bigger quantity, the better price.

**Q: Can I have a small sample to verify the quality?**A: Sure, we welcome samples to be tested and checked for quality.

**Q: Can I visit your factory?**A: Yes, we welcome all of the customers to visit our factory when you have real requirements, we will take you to each of our production lines, and discuss orders in our office.

**Q: Do you offer a guarantee for the products?**A: Yes, generally, we offer 5 years warranty for processing glass based on your normal uses, we advise you use it in the right way can keep your product's service life a long time (more than 5 years).

**Q: How do you control the quality of your products?**A: We have standard management in the factory based on the ISO system, and train our staff regularly, our production department will choose high-quality materials for glass strictly, for finished excellent products. And we have QC for each process, once find any problem, we will replace the glass, to make sure every piece of glass go to the customer's warehouse is in good condition.
