## Product Description

### Product Description:

RISE laminated glass is formed as a sandwich of 2 sheets of glass, between which is bonded together with a tough and thermoplastic polyvinyl butyral (PVB) interlayer under heating and pressure. RISE make the laminated glass with various combinations as clear and/or tinted float glass, clear and/or colored PVB film to meet any specialized request and application. We have the full series of equipment to make the glass laminated as Flat, Bending, Curved and Tempered, also the Bullet Proof glass etc..
