Product Description

Product Description:

Qingdao Rise Glass Technology Co.,Ltd. is located at Qingdao city in North China, as the professional building glass manufacturer and supplier, 20000m2 non-dust workshop, ISO,CCC, CE ,SGCC & ANS certificated, one hour reach Qingdao port, this is how we keep good quality and competitive prices for global valued customers. we are dealing with various kinds of glass and mirror with high quality as customer's requirement.

Features:

- 1.Extremely High Safety: The PVB interlayer withstands penetration from impact. Even if the glass cracks, splinters will adhere to the interlayer and not scatter. In comparison with other kinds of glass, laminated glass has much higher strength to resist shock, burglary, burst and bullets.
2. Energy-saving Building materials: PVB interlayer impedes the transmission of solar heat and reduces cooling loads.
3. Create Aesthetic Sense to Buildings: Laminated glass with a tinted interlayer will beautify the buildings and harmonize their appearances with surrounding views which meet the demand of architects.
4. Sound Control: PVB interlayer is an effective absorber of sound.
5. Ultraviolet Screening: The interlayer filters out ultraviolet rays and prevents the furniture and curtains from fading effect

Applications:

Curtain wall, shower door, windows, top lighting, balcony fencing, swimming pool fencing construction glass

Packing and Shipping:

Product Packaging:

The tempered laminated safety glass will be carefully wrapped in bubble wrap to ensure protection during transportation.

The wrapped glass will be placed in a sturdy cardboard box with additional padding for further protection.

The box will be sealed with packing tape and labeled with the product name and any necessary handling instructions.

Shipping:

The package will be shipped via a trusted courier service such as FedEx or UPS.

Shipping options may include standard, expedited, or overnight delivery depending on the customer's preference and urgency.

The customer will receive a tracking number to monitor the status of their shipment.

FAQ:
